ARCHITECTURAL
GRATES + DRAINS

MARINE GRADE
316
STAINLESS
STEEL

Custom linear drainage design + fabrication.

Complete your project with a tailored, site specific linear drainage solution.

Integrate curves, shapes and water features with Stormtech's durable, highly efficient linear drainage. From unique basins to designer bar tops, Stormtech can assist from design to final fabrication with custom dimensions, capacity requirements and colour finishes.

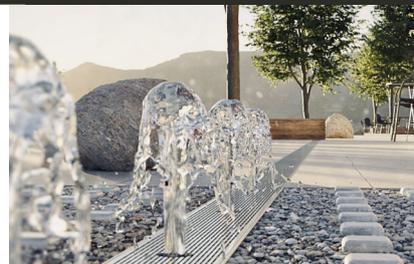

Proudly manufactured in Australia from marine grade stainless steel, Stormtech offers over 30 years of integration expertise.

All custom drainage systems are available in load classes from light (Load Class A) to extra heavy duty (Load Class D).

Available with the Stormtech range of electroplate metallic and powdercoat finishes.

Durable and efficient, Stormtech custom made designer linear drainage. Made in Australia for over 30 years.
